Dear Emma,

**Waste Batteries and Accumulators Regulations 2009 (as amended)
Notification of grant of approval of a waste battery treatment operator**

We have considered your application for approval as a waste battery treatment operator under The Waste Batteries and Accumulators Regulations 2009 (as amended) (*'the Regulations'*).

Waste Portable Batteries

We hereby grant approval to **Ecobat Solutions UK Limited** to operate as an approved battery treatment operator for waste portable batteries. Your operator approval number is **BT2310675BT**.

Your approval covers the following site only:

Site name and address	Individual site approval number	Amount of evidence notes (tonnes)
ECOBAT Solutions UK Limited Crescent Works Industrial Park Willenhall Road Darlaston WS10 8JR	BS2410676BS	Over 15 tonnes

Your approval is subject to the conditions specified in Part 2 and Part 3 of Schedule 4 to the Regulations. Your approval applies only to the named operator for the specified approved site only.

Your approval is valid from **01 January 2024** and ends on **31 December 2024**, unless it is otherwise suspended or cancelled.

The approval allows you to issue evidence notes for waste portable batteries which you accept at this site for treatment and recycling. You must issue evidence notes in accordance with the Regulations.

Waste Industrial and Automotive Batteries

We hereby grant approval to **Ecobat Solutions UK Limited** to operate as an approved battery treatment operator for waste industrial and automotive batteries. Your operator approval number is **BT2310674BT**.

Your approval covers the following site and categories only:

Site name and address	Battery category	Individual site approval number	Limit (tonnes)
ECOBAT Solutions UK Limited Crescent Works Industrial Park Willenhall Road Darlaston WS10 8JR	Automotive & industrial	BS2410677BS	Over 150 tonnes

Your approval is subject to the conditions specified in Part 2 of Schedule 4 to the Regulations. Your approval applies only to the named operator for the specified approved site only.

Your approval is valid from 01 January 2024 and ends on 31 December **2024**, unless it is otherwise suspended or cancelled.

The approval allows you to treat and recycle waste industrial and automotive batteries which you accept at this site for treatment and recycling.

Suspension and cancellation of approval

We may suspend or cancel your approval where it appears to us that you have failed, or are likely to fail, to comply with any of the conditions of approval. Suspension or cancellation may extend to one or more of your approved sites, or may apply to your whole approval. Your whole approval will cease to have effect if you cease to be a battery treatment operator, or you request that your approval should be cancelled.

You must notify us immediately, in writing, of any changes to the details submitted with your application.

This approval does not replace any other environmental authorisation that you may have for the site. You must continue to comply with these and other relevant legislation.

Please contact **George Duckett** on 020 847 476 08 if you have any queries.

Yours sincerely

Farah Hussain
